#### **AGENDA ITEM 7**

DATE: December 18, 2024

TO: Fresno County Zoo Authority Board

FROM: Ron Alexander, Board Coordinator

Fresno County Zoo Authority

SUBJECT: Cash Balance Policy

#### **RECOMMENDED ACTION:**

Approve Measure Z Operations Fund Cash Balance Policy.

#### **DISCUSSION:**

During the August Zoo Authority board meeting, discussions arose regarding the creation of a cash reserve policy. Zoo Corp's CEO volunteered to draft a reserve policy for the operations fund as a starting point. A draft policy was brought before your board on November 20, 2024. The recommendation was to revise the draft to show the Fund Optimal Cash Balance be defined as no less than six months and no more than nine months of the average Measure Z tax receipts allocated to operations for the most recently completed fiscal year ended June 30<sup>th</sup>.

**PURPOSE:** The purpose of this policy is to define the optimal available cash balance carried from year to year so as not to impede cash flows of the Measure Z Operations Fund (the Fund), meet future needs, and protect against financial instability. The optimal cash balance in the Fund is not intended to replace a permanent loss of funds or eliminate an ongoing budget gap. It is the intention of the Authority for the optimal cash balance to be used and be replenished within a reasonably short period of time.

As provided for by Ordinance 2004-1, and subsequently extended by Ordinances 2014-01 and 2022-01, The Fresno County Zoo Authority Transactions and Use Tax Ordinance provides that no less than 98% of the proceeds generated by the retail transactions and use tax shall be distributed to the Fresno Chaffee Zoo, on a reimbursement basis. Of this, up to one-third of the funds may be available for operations and maintenance of the Fresno Chaffee Zoo.

**CASH BALANCE TARGET:** The Fund optimal cash balance ("Fund Optimal Cash Balance") shall be defined as no less than six (6) and no more than nine (9) months of the average Measure Z tax receipts allocated to operations for the most recently completed fiscal year ended June 30th. This range ensures that there is sufficient cash available to provide timely reimbursement of approved operations expenditures in the event of a disruption in the receipt of tax proceeds to the Fund. The amount of the Fund Optimal Cash Balance shall be calculated 90

days after each fiscal year end and shall be presented as an approval item during the regular Zoo Authority Board meeting. The total available Measure Z operations funds shall be broken into Fund Optimal Cash Balance and Unreserved Balance.

Maintenance of Fund Optimal Cash Balance and Deviation from Fund Optimal Cash Balance: Each year during the presentation of the operations budget to be funded by Measure Z, Fresno's Chaffee Zoo Corporation shall be required to provide an analysis of the impact of such request on the Fund Optimal Cash Balance. The Zoo Authority Board shall have the authority to approve the cash balance of the Measure Z Operations Fund to fall below the Fund Optimal Cash Balance. The Measure Z Operations Fund cash balance shall thereafter be replenished back to the Fund Optimal Cash Balance described in this Policy by surpluses from revenue received during the succeeding months.

SUBJECT: FY 2025 Measure Z Operations Funds Budget & Capital Funds Budget

#### **RECOMMENDED ACTION:**

Approve Fresno's Chaffee Zoo Corporation's fiscal year 2025 Measure Z Operating funds totaling \$7,959,355, for reimbursement of Animal Care, Commissary, Veterinary, and Maintenance & Horticulture Salaries and Benefits, Animal Feed, Animal Exhibit Supplies, Veterinary Supplies, Water Quality Supplies, Utilities and Bank Fees to wire reimbursement funds to the Zoo; and,

2. Approve fiscal year 2025 Measure Z Capital funds totaling \$1,056,503, for animal acquisitions/shipping and exhibit renovations.

#### DISCUSSION:

The 2025 budget was developed by the management team of Fresno's Chaffee Zoo Corporation. The 2025 Measure Z Operating request is \$7,959,355, and all line items are included in the Zoo's operating budget. The ask includes \$7,262,000 as the standard annual budget request and an additional \$697,355 as a supplemental ask to fund exhibit renovations/repairs and veterinary equipment. Tax receipts in 2025 are anticipated to decrease slightly from the tax receipts in 2024; the 2025 standard budget request represents a 2.5% increase over the 2024 budget request.

As demonstrated in the enclosed 2025 Budget presentation, FCZ has projected that \$7,014,387 will be generated by Measure Z to support Operations during Calendar Year 2025. Additionally, The Fresno County Zoo Authority accounting staff has projected that \$7,094,683 will be generated by Measure Z to support Operations during Calendar Year 2025. It is expected that approval of the requested funds will result in a decrease of the accumulated cash holdings of the Measure Z Operating Fund by approximately \$945k.

Per the Operations Fund Cash Flow, as prepared by the Fresno County Zoo Authority and included in the November 20, 2024, board meeting agenda, the cash balance for operations as of September 30, 2024, was \$5,533,097, of which \$877,766 remains encumbered for the 2024 fiscal year.

FCZ is also requesting approval of \$1,056,503 from Measure Z Capital funds for costs associated with animal acquisition/shipping and for exhibit renovations that fall within the Measure Z Capital Projects Policy.

Fresno's Chaffee Zoo Corporation Board of Directors approved the 2025 budget on November 21, 2024.
